Dear Richard,

As we draw toward the end of the design phase for refinishing the front of the church I wanted to express what a pleasure it has been working with you. You and representatives of your firm have been very helpful working with our building committee and in answering all of our questions. The document you provided containing the cost estimates and rendering have been very helpful in presentations to our parishioners and to the building committee at the Diocese of Richmond.

I look forward to working with you on completion of this project and future projects.

Sincerely,

A handwritten signature in cursive script that reads "Lisa Liedl".
